PROFESSIONAL SUMMARY

Banking & Finance graduate with hands-on experience in SME banking operations and CRM-based sales administration. Skilled in transaction processing, credit documentation, contract management, and financial modeling. Detail-oriented and process-driven, seeking a Financial Operations role where accuracy and reliable execution create business value.

SKILLS & TOOLS

Operations: Transaction Processing, Credit Documentation, Account Reconciliation, Contract & Quotation Management, CRM Systems

Analytical: Financial Modeling (DCF/FCFF), Financial Statement Analysis, Panel Data Regression, KPI Tracking

Tools: Microsoft Excel, CRM Platforms, Stata

Languages: Vietnamese (native), English (working proficiency)

WORK EXPERIENCE

Toan Cau Information Technology Co., Ltd.

Sales Administrator

Apr 2025 – May 2026

Ho Chi Minh City

- Managed the end-to-end sales cycle on the internal CRM system, from inquiry intake to deal closing, ensuring smooth cross-departmental coordination.
- Maintained the quotations and contracts database, ensuring consistency and accuracy across departments for invoicing and sales planning.
- Processed transaction and customer data to improve operational efficiency and tracked contract execution progress with relevant teams.

Military Commercial Joint Stock Bank (MB Bank)

Relationship Management Associate (Trainee) — SME Banking

Aug 2024 – Feb 2025

Ho Chi Minh City

- Handled account opening, maintenance, and daily transaction processing for SME clients, ensuring accurate and professional client servicing.
- Prepared credit proposals, loan applications, and collateral documentation, supporting the end-to-end credit approval workflow.
- Coordinated with Relationship Managers on portfolio management and proactive client follow-ups to strengthen long-term relationships.

FINANCIAL MODELING & RESEARCH

DCF Equity Valuation, Steel & Construction Materials (HOSE) — DCF/FCFF, CAPM, Advanced Excel

- Built a full DCF model for HSG (Hoa Sen Group): FCFF projection, WACC via CAPM, Terminal Value, and implied share price, with sensitivity analysis across WACC and growth scenarios.

CEO Characteristics & Firm Performance on HOSE — Panel Data Regression, Stata

- Co-authored research on six CEO attributes vs. ROA across 141 non-financial firms (1,269 observations, 2015–2023); led data collection and statistical processing (Pooled OLS, FEM, REM, GLS).

EDUCATION

Ho Chi Minh City Open University

Bachelor of Banking and Finance

Aug 2021 – Aug 2025
